Xxxxx xxxx Trip

On behalf of VIDA, *Volunteers for Intercultural and Definitive Adventures*, at the University of -----, we would like to thank you for your compassionate sponsorship to our service and construction efforts. We recently completed our first **general service/construction** trip to **country here**. In eight days of service, we constructed ----- and participated in the following community service projects ----- . Not only did we serve hundreds of patients, but we experienced an eye-opening, hands-on, and mind-enriching intercultural adventure. We learned about ourselves and about the importance of volunteering to help foster world wide peace and understanding.

Thank you for your involvement and donation!

Our next trip is in ----- and we are continuing to seek supplies for this trip. Below is a list of supplies which we used a good deal of during our recent trip. If you are able to assist in any way we would greatly appreciate it! **Please contact me at “Your contact information here”** or you can visit the VIDA website at www.vidavolunteertravel.org

Again, thank you so very much for your compassion and dedication to our cause! Your involvement and help is deeply appreciated.
